

ENVIRONMENTAL POLICY

The Trustees of Hartpury Village Hall work to maintain the property in a sustainable manner, to minimise its environmental impact and ensure its facilities are protected for future generations.

The Trustees will: -

- Seek to minimise the use of energy and water resources in its activities.
- Purchase environmentally sound goods from sustainable sources wherever reasonably possible.
- Minimise waste and recycle all appropriate materials in a sustainable manner.
- Ensure contractors working on the trusts' behalf are aware of and comply with the environmental policy.
- Discuss environmental issues as a standing item on each Trustee Committee agenda.
