

Hartpury Jubilee Walk (5 miles approx.)

This walk is described in an anti-clockwise direction, and has stiles and some steep inclines. **Please follow the countryside code.**

Turn left from the Village Hall, and walk down Over Old Road towards the A417. Cross the A417 and turn left towards Gloucester. Turn right down Danford Lane, then continue straight ahead steeply downhill on the green lane (A). Go through gate and shortly after go over stile into the field on the left (B).

Head right at 45 degrees to a gap in the hedge, then straight across the next field to a bridge and steep stile. Head for the far left corner of this field (C), then over a stile.

Follow the path round to the right around Catsbury Hill before heading across fields towards Corsend Road and the Church.

Turn left at the road (D) and continue to the Church. TAKE CARE ON THIS BUSY ROAD! Turn left on the road to Murrells End then left again into the Churchyard. Pass through the churchyard and leave via a footpath by the Bee Shelter behind the Church (E). Go across fields to the lane to Hartpury University and College Home Farm.

Take a path just before the cottages that leads to the road around Home Farm, and follow this before turning right towards the main site. After about 200m turn left and follow a path through woodland. On leaving the woods (F) bear left and follow the footpath signs crossing the golf driving range.

Head right (G) along a hacking track, and then a footpath parallel to it, until the public road to the main entrance is reached.

Cross the road and turn right, then immediately left over a small bridge, then left again. Follow this path passing over the road to the Equine Centre, cross another track then through Darley Wood, into a field and then left into Dents Lane (H).

Walk up the Lane to the busy A417. Cross this with great care, turn right and then left up Hiams Lane. At the top of the hill (I) there is a footpath to the left, through two fields, then a wood, to Woolridge Hill. Cross over and take the footpath opposite, which goes down the hill towards Woolridge Farm. At the farm turn right through three fields until Over Old Road is reached again, then turn left back to the Village Hall.
